

BUSH WINS BUDGET; MORE LIES AHEAD

This title could be taken in two ways.

First, it could mean that George Bush is going to be given a large amount of money and there's hope for the future to where that money will be spent. Second, it could be taken as Bush being given his budget and has spoken to his nation about the plans for the money. Once all of the money is gone he has either gone over his budget or he has put it towards something else
